Unique Villa with stunning seaview for sale in Altea la Vella. A truly unique property on the Costa Blanca! Stunning sea and mountain views. The villa has been designed and built by the current owner in 1998. It has a lovely flow and a lot of details, such as doorways imitated from the famous Alhambra in Granada, a water fountain in the center of the house, a sauna room in a grotto and a 24m² huge en-suite bath with a jacuzzi with seaview and direct access to the pool. The villa, all on one level with the pool, has on the main part 3 double bedrooms and 2 bathrooms, lounge/dining room and kitchen with pantry. In the underbuild is a huge self-contained apartment, with now 1 bedroom, but with the possibility to create 2 further bedrooms, 1 bath and diner/kitchen. The whole property benefits from gas central heating, A/C and security double glazed windows with automatic blinds and mosquito nets. The lovely infinity pool with its big terraces and a jacuzzi invite to spend the sunny days and to enjoy this unique stunning view. Don't miss out on this property and call us for a viewing!
