Spacious villa with pool for sale in Benissa. This villa lies in the end of a quiet cul de sac. It has a garage on street level. From there a stair leads up to the pool and its terraces. On this level is the independant guest apartment. You enter through the kitchen. Bathroom on the left and to the right is a smaller bedroom that leads to the big bedroom. There is also a big storage room. On the upper floor is another big terrace. Here you find a spacious dining room with fire place and open plan kitchen, a separate lounge, that could be turned into a bedroom, 2 bedrooms and a family bath. It is a bright house with big rooms. All furniture stay, it's ready to move in. It benefits from gas central heating and air condition. Next to the pool is a BBQ area and also the outdoor shower. The garden is very low maintance and it has nice open views and sun all day.
